Shake Shake Shake

Ha! Who would dare to start a war now? You're the greatest master of them all!

The Branch doesn't have anyone as powerful as you on their side, do they?

Stay calm and listen to me.

I believe that it was the greatest decision I could've made when I chose to protect the peace of Murim using the Ki that's been passed down to me...

while calming down the troublesome ones that acted out.

However... What happens if I get assassinated? What happens then?

Who would dare harm you?

PWAAAAAAAAAAAA

WWE

WWE

It can happen. The Main and the Branch family are too busy watching each other right now. However, should there be a third force to join in the fray...

Hahaha! There's no way!

...What, could it be that you're suspicious of me?

SWOOP

...That's not it. I know what kind of relationship I have with you...
You aren't the one to harm me.

Maybe you
would do something
after I'm dead.

Hahahahaha!!
Right, Right.

Requesting for you
to protect the peace of Murim
would be meaningless.

LONE MANGA!

The 500 year old
Ki inside of you is an
impenetrable wall.

It is a wall I
cannot penetrate, no
matter what.

That's why I left the Main
Family to learn the Draining Arts.
In order to catch the wealdings
to make their Ki mine.

However, I can only
utilize the Ki I've collected at
100% for 3 minutes.

If your Ki is that of a soft
silk, then mine is that of tattered
cloths patched together...

The reason why I cannot
do as I please is because I cannot
subdue you in 3 minutes.

OONG

I'll promise to you as a friend:
as long as you, the Grand Master,
are alive, I will not do anything.

... A friend that awaits my death.

You should lock your Ki. If you die in front of me, I might be the one to inherit that Ki.

Hahahahaha!
A lock!!

77-137!

77-137!

Sfx: Loud loud

Hahahahaha!!

I already did!!

Sfx: Oong tu

LONE MANGA!

I think it's a lot more fun hanging out with you in the Murim world instead. After I fought with Oppa, I cut off all my ties with the Branch Family...

Now is not the time for that.

Oppa... Can I even call her Noona?

I'm the youngest
one in my family. I'm
super young!

SURPRISED

...

She's reading
my mind...

That aside, we can't look
like we're hunting our own side. We
should make it look like we're punishing
those who go against the Elders.

That way, we won't
have anyone revolting
in the future.

As expected of you,
Hae-ji Noona. It's a
brilliant plan.

Kuku! First, we have to get 3
people. There are 3 individuals
with 3 unique skills and have quite
the personality as well.

If you absorb those three
we can ignore the rest.

Oh? Already out of
breath, young one?

...Aran, are we really just going
with this many people? We're not
going to get help from the HQ?

I don't need anything like that.
And didn't the Elder say, "Prove your
strength" to the other masters?

The Elder isn't dead
yet, you know.

Whatever!!

Here, we have one of the
greater Masters of the Branch Family.
He's dubbed the "Blood Fist of the Demon
King" because he once swept through
Murim like a storm.

Sfx: Swoop

Sfx: Beep x2

They say he had the
strength to beat down a
tiger with a single arm.

Site: Deep

He should be over here...

Could he be...

among one of those
old men over there?

Oh! There he is.

Huh? Where
is he...?

If he was known for beating down tigers with one hand, then that must mean he's from an older era. Even if he was young, it must've been around the 1910's, right?

...Something feels off...

NERVOUS

Sfx: Crunch

Sfx: Terrible 23
